

The advertisement features a background image of a man and a young child walking away from the camera on a path during a sunset. The man is on the left, and the child is on the right, holding the man's hand. The sky is a warm orange and yellow. In the center, a smartphone displays the Sparkler app interface. The app screen shows the ASQ3 logo at the top, a circular profile picture of a child, and the text "Let's see how much Leo has grown!". Below this is a green "Get Started" button and a "11:30 PM" timestamp. At the bottom of the screen, there is a small disclaimer: "ASQ3 is a trademark of the University of Minnesota. Sparkler is a trademark of the University of Minnesota. © 2018 Sparkler, Inc. All rights reserved." To the right of the phone, the text "How's Your Child Doing?" is written in a large, white, sans-serif font. Below this, the text "Download sparkler for free today to check in on the development your 0-5 year old's heart, mind, body, and words with the Ages & Stages Questionnaires® and to find fun ways to learn through play together!" is written in a smaller, white, sans-serif font. Further down, the text "Learn more: playsparkler.org/connecticut" is displayed. At the bottom of the advertisement, there are four logos: the Apple App Store logo, the Google Play logo, the Connecticut Office of Early Childhood logo, and the 2-1-1 logo with the text "Call anytime".
